Meeting number: 2551 890 0893 Password: 3hbWz4TtAW7

OR

Join by phone: +1-415-655-0001 US Toll Access code: 2551 890 0893 Password: 34299488

All guests that join the virtual meeting will be muted with their camera/video turned off. Guest(s) will be unmuted and video turned on when they are speaking. Proper decorum including appearance is required.

NOTICE TO PERSONS WITH DISABILITIES: It is the policy of the Sweetwater Springs Water District to offer its public programs, services and meetings in a manner that is readily accessible to everyone, including those with disabilities. Upon request made at least 48 hours in advance of the need for assistance, this Agenda will be made available in appropriate alternative formats to persons with disabilities. This notice is in compliance with the Americans with Disabilities Act (28 CFR, 35.102-35.104 ADA Title II).

Any person who has any questions concerning any agenda item may call the General Manager or Assistant Clerk of the Board to make inquiry concerning the nature of the item described on the agenda; copies of staff reports or other written documentation for each item of business are on file in the District Office and available for public inspection. All items listed are for Board discussion and action except for public comment items. In accordance with Section 5020.40 et seq. of the District Policies & Procedures, each speaker should limit their comments on any Agenda item to five (5) minutes or less. A maximum of twenty (20) minutes of public comment is allowed for each subject matter on the Agenda unless the Board President allows additional time.

I. CALL TO ORDER (Est. time: 2 min.)

- A. Board members Present
- B. Board members Absent
- C. Others in Attendance

II. CHANGES TO AGENDA and DECLARATIONS OF CONFLICT (Est. time: 2 min.)

III. CONSENT CALENDAR (Est. time: 5 min.)

(Note: Items appearing on the Consent Calendar are deemed to be routine and non-controversial. A Board member may request that any item be removed from the Consent Calendar and added as an "Administrative" agenda item for the purposes of discussing the item(s)).

- A. Approval of the following Minutes of the April 7, 2022 Regular Board Meeting
- B. Approval of Operations Warrants/Online payments/EFT payments
- C. Receipt of Item(s) of Correspondence.

 Note: Correspondence received regarding an item on the Administrative Agenda is not itemized here, but will be attached as back-up to that item in the Board packet and addressed with that item during the Board meeting.
- Action to Reconfirm findings of Resolution 21-18 re continuation of remote meetings
- **IV. PUBLIC COMMENT:** The District invites public participation regarding the affairs of the District. This time is made available for members of the public to address the Board regarding matters which do not appear on the Agenda, but are related to business of the District. Pursuant to the Brown Act, however, the Board of Directors may not conduct discussions or take action on items presented under public comment. Board members may ask questions of a speaker for purposes of clarification.

Sweetwater Springs Water District Mission and Goals

The mission of the Sweetwater Springs Water District (SSWD) is to provide its customers with quality water and service in an open, accountable, and cost-effective manner and to manage District resources for the benefit of the community and environment. The District provides water distribution and maintenance services to five townships adjacent to the Russian River:

- Guerneville
- Rio Nido
- Guernewood Park
- Villa Grande
- Monte Rio

GOAL 1: IMPLEMENT SOUND FINANCIAL PRACTICES TO ENSURE EFFECTIVE UTILIZATION OF DISTRICT RESOURCES

GOAL 2: PROVIDE RELIABLE AND HIGH QUALITY POTABLE WATER WITH FACILITIES THAT ARE PROPERLY CONSTRUCTED, MANAGED AND MAINTAINED TO ASSURE SYSTEM RELIABILITY

GOAL 3: HAVE UPDATED EMERGENCY PREPAREDNESS PLANS FOR ALL REASONABLE, FORESEEABLE SITUATIONS

GOAL 4: DEVELOP AND MAINTAIN A QUALITY WORKFORCE

GOAL 5: PROVIDE EXCELLENT PUBLIC OUTREACH, INFORMATION AND EDUCATION

GOAL 6: ENHANCE BOARD COMMUNICATIONS AND INFORMATION

5087364.1

BOARD MEETING MINUTES*

Meeting Date: April 7, 2022

(*In order discussed)

April 7, 2022 6:30 p.m.

Board Members Present: Tim Lipinski

Gaylord Schaap Larry Spillane Sukey Robb-Wilder

Rich Holmer

Board Members Absent: (None.)

Staff in Attendance: Ed Fortner, General Manager

Julie Kenny, Secretary to the Board

Others in Attendance: Rachel Hundley, Legal Counsel

Matthew Emrick, Esq. Keith McDonald Nicole King

Mark (unidentified)

I. CALL TO ORDER (6:31 p.m.)

The properly agendized meeting was called to Order by President Schaap at 6:31 p.m.

II. CHANGES TO AGENDA and DECLARATION OF CONFLICT (6:32 p.m.)

(None.)

III. CONSENT CALENDAR (6:32 p.m.)

President Schaap reviewed the items on the Consent Calendar. Director Holmer moved to approve the Consent Calendar. Director Lipinski seconded the motion. Motion carried 5-0. The following items were approved:

A. Approval of the following Minutes:

March 3, 2022 Regular Board Meeting March 8, 2022 Special Meeting March 11, 2022 Special Meeting

March 21, 2022 Special Meeting

March 28, 2022 Special Meeting

- B. Approval of Operations Warrants/Online payments/EFT payments
- C. Receipt of items of Correspondence (None)
- D. Action to Reconfirm findings of Resolution 21-18 re continuation of remote meetings

IV. PUBLIC COMMENT (6:34 p.m.)

None.

V. ADMINISTRATIVE (6:34 p.m.) *

*in the order discussed

- V-A. (6:34 p.m.) Discussion/Action re Water Rights Report. The GM provided an overview of this item. Matthew Emrick, Esq. made a presentation to the Board. Discussion ensued.
- V-B. (7:20 p.m.) Discussion/Action re Draft FY 2022-23 Budget and Direction on FY 2022-23 Water Rates. The GM provided an overview of this item. Further overview was provided by Director Lipinski and Director Spillane. Board discussion ensued. Director Lipinski moved to approve a 5% rate increase for FY 2022-23 effective July 1, 2022 or as soon as possible thereafter. Director Spillane seconded. Further discussion ensued, including comments by District Counsel Rachel Hundley. Motion carried 5-0.
- V-C. (7:45 p.m.) Discussion/Action re Covid-related issues. The GM provided an overview of this item. Comments were made by Rachel Hundley. Discussion ensued. No action was taken.
- V-D. (7:54 p.m.) Discussion/Action re FY 2020-21 CIP Update. The GM provided an overview of this item. Board questions and discussion ensued. No action was taken.
- V-E. (7:56 p.m.) Discussion/Action re RGS Human Resources. The GM provided an overview of this item. Discussion ensued. Public comment was made by Julie Kenny, Legal Counsel Rachel Hundley, and Keith McDonald. Further discussion ensued. No action was taken.
- V-F. (8:19 p.m.) Discussion/Action re General Manager Transition Document. The GM provided an overview of this item. Discussion ensued. No action was taken.
- V-G. (8:30 p.m.) Discussion/Action re District Security and Fires in Monte Rio. The GM provided an overview of this item. Discussion ensued. No action was taken.
- V-H. (8:46 p.m.) Discussion/Action re Formation of Sonoma County Special Districts Chapter of CSDA. Director Holmer provided an overview of this item. Discussion ensued. No action was taken.

VI. GENERAL MANAGER'S REPORT (8:52 p.m.)

The GM provided a report on the following items:

- 1. Laboratory testing / Regulatory Compliance
- Water production and sales
- Leaks
- 4. Guerneville rainfall
- In-House Construction Projects

- 6. Drought Grant
- 7. Gantt Chart
- 8. Economic Impact of No Disconnects for Non-payment

Discussion ensued.

VII. BOARD MEMBERS' ANNOUNCEMENTS/COMMENTS (8:57 p.m.)

(None.)

VIII. ITEMS FOR THE NEXT AGENDA (8:57 p.m.)

- 1. Fire issues (GM meeting with Chief Baxman)
- 2. Water rights next steps
- 3. Rate increase budget report
- 4. CIP update
- 5. Transition plan
- 6. Local CSDA chapter

IX. CLOSED SESSION (8:59 p.m.)

At 8:59 p.m. President Schaap announced the items for discussion in Closed Session. Comments were made by Legal Counsel Rachel Hundley. At 9:01 p.m. the Board to a brief recess. At 9:12 p.m. the meeting re-opened and the Board went into Closed Session. At 10:24 p.m. the meeting reconvened and the following action was announced:

- A. CONFERENCE WITH LABOR NEGOTIATOR (Gov. Code Section 54957.6)
 Agency Designated Representative: Ed Fortner
 Employee Organization: Stationary Engineers, Local 39
 No action was taken.
- B. Pursuant to Gov. Code Section 54957 Public Employment Title: General Manager
 No action was taken.
- C. Pursuant to Gov. Code Section 54957(b)(1) Public Employment Title: Interim General Manager
 No action was taken.
- D. CONFERENCE WITH LABOR NEGOTIATOR (Gov. Code Section 54957.6)
 Agency Designated Representative: Rachel Hundley

Title: General Manager No action was taken.

- E. CONFERENCE WITH LABOR NEGOTIATOR (Gov. Code Section 54957.6)
 Agency Designated Representative: Rachel Hundley
 Title: Interim General Manager
 No action was taken.
- F. Conference with Legal Counsel Anticipated Litigation. Significant exposure to litigation pursuant to Section 54956.9(d)(2)

 Number of cases: 1

 No action was taken.

ADJOURN

At 10:25 p.m. the meeting adjourned.	
	Respectfully submitted,
	Julie Kenny Clerk to the Board of Directors
APPROVED:	
Gaylord Schaap: Sukey Robb-Wilder: Tim Lipinski: Rich Holmer Larry Spillane	

SWEETWATER SPRINGS WATER DISTRICT

TO: Board of Directors AGENDA NO. V-A

FROM: Ed Fortner, General Manager

Meeting Date: May 5, 2022

SUBJECT: ACTUAL VS. BUDGETED (OPERATIONS AND CAPITAL) REPORT THRU MARCH

31, 2022 (75%)

RECOMMENDED ACTION:

(Discussion item only.)

FISCAL IMPACT:

(None.)

DISCUSSION:

This report presents the 3rd quarter actual revenues and expenses. This comprises 75% of the year by time and so we compare the revenues and expenses to that standard.

Operating Budget:

3Q Revenue is less than 75% of budgeted amount.

Water Sales, the largest revenue line item, came in at 2.81% less than the 75% schedule, lagging more than last quarter. This trend will likely continue into the next quarter. We sold 10.6% less water this year than last year during the same period. This is an improvement from last quarter, but we are heading into another summer of drought.

Overall revenues are also below budgeted amounts due to the less-than-budgeted Water Sales line item.

3Q Expenditures are right on budget (75% of budgeted amount).

3Q expenditures are right on budget.

Expenses of note this quarter are as follows:

Consultant Fees – we spent an unbudgeted \$6,764 this quarter on human resources consultant RGS for a total of \$13,613 this year; and

Legal Fees. This line item was budgeted at \$30,000 for the year, but as of the end of the 3Q actual legal fees are already \$66,065. In the 3Q alone, \$29,581 as spent on Meyer Nave legal fees.

For more detail on all the budget line items, please refer to the attached <u>Actual vs.</u> <u>Budgeted</u> breakdown provided with your packet.

Capital Budget:

The 3Q Capital Budget (Table 2) is typical the 3rd Quarter - we have received the first installment of the annual assessment from the county and made the first payments on our debt. The second installment of the annual assessment which we will receive soon will balance the debt expenses. We have received \$23,636.65 from the CDBG funding of the FY 2020-2021 CIP. New construction revenue is up due to the West County Health center. We also have made the annual payments on all debt service. Balancing of the funds will occur as we near the end of the fiscal year.

FUNDS AT THE COUNTY

Table 3. Fund and Loan Balances show a comparison of the budgeted and 3rd Quarter balances. Also attached is the County Fund Balances for the 3rd Quarter. Table 3 includes all the funds listed in the County Fund Balances and also the funds at PARS and the USDA Bond Debt at WestAmerica. Table 3 is typical for the 3rd Quarter of the fiscal year. Funds above reserve policy are at \$1,823,723.45.

*** Starting FY 2017-18, Bldg Fund and PARS considered part of Reserves; Starting FY 2019-20, CERBT is also part of reserves, but only the contributions (not earnings) to PARS and CERBT are included

SWEETWATER SPRINGS WATER DISTRICT

TO: Board of Directors AGENDA NO. V-B

FROM: Ed Fortner, General Manager

Meeting Date: May 5, 2022

SUBJECT: DRAFT FY 2022-2023 BUDGET REPORT

RECOMMENDED ACTION: Receive the draft Budget Report and discuss any outstanding issues regarding the Draft District FY 2022-2023 Budget, including the District's proposed water rates based on a 5% increase, and provide direction to staff and the *ad hoc* Budget subcommittee.

FISCAL IMPACT: Provides financial direction for FY 2022-2023.

DISCUSSION:

The draft FY 2022-2023 Budget was presented at the April meeting. At the meeting we discussed budget issues, the proposed water rate increases, and the line item details of the proposed FY 2022-2023 Budget. During the discussion several items were highlighted, among them was the 5% rate increase and the FY 2020-2021 CIP. Highlights of the FY 2022-2023 Budget include:

- A 5% increase in the Water Usage, Base Rate and Capital Debt Reduction Charges. This is the third year of the five-year plan to increase capital funding to a sustainable level.
- Water sales are projected to be flat.
- FY 2020-2021 CIP, Water Main Replacement of ~5,400' on Old River Rd. and Woodland Drive at \$1,650,000.
- The transfer to the Capital Improvement Reserve Fund (CIRF) of \$395,000.

The Proposition 218 notices were mailed by April 18, ~3,600 notices were mailed to all property owners. As of April 29, 73 protests have been received.

Exhibit A is the draft FY 2022-2023 Budget. It includes the budget detail. This document plus information on the proposed 5% water rates increase will be on the District website. Please review the report and provide comments to staff either at the meeting or via email.

SWEETWATER SPRINGS WATER DISTRICT

TO: Board of Directors AGENDA NO. V-C

FROM: Ed Fortner, General Manager

Meeting Date: May 5, 2022

SUBJECT: Water Rights

RECOMMENDED ACTION: Receive report from the General Manager on District Water Rights.

FISCAL IMPACT: N/A

DISCUSSION:

I have been in discussions with Matt Emrick with the Law Offices of Matthew Emrick and Steve Mack about the District's water rights in light of the temporary urgency change to Sonoma County Water Agency's (SCWA) water rights that lowered the flows in the lower Russian River to 35 cfs, and the soon to be issued Emergency Curtailment Order by the State Water Conservation and Resources Board (SWCRB) for the Upper and Lower Sections of the Russian River due to the current third year of drought conditions.

In light of these recent events, the District needs to better understand our water rights and our path forward to protect our rights. Sonoma County Water Agency (SCWA) has postured such that they threaten our water rights during low flow conditions. These issues are complex and require expert council. Matt Emrick has consulted with the District before, in 2016 and 2017, and understands our water rights issues.

Matt, Steve Mack, and I have met multiple times. Matt and I explored historical documents and maps with promising results. Matt has focused on California Public Utilities Commission (CPUC) records to connect the water rights transfers of the private water companies that supplied water in the District service area. Matt has completed his work, including research dating from the 1920s to 1992, when Sweetwater Springs Water District (SSWD) was formed. I focused my research on two historical books that detail the formation and history, including the water use of the Guerneville and Monte Rio areas. "Out of the River Mist" by C. Raymond Clar and "Guerneville Early Days, A History of the Lower Russian River" by John C. Schubert are full of historical references to water usage for the lumber mills, to fight the many

fires that occurred over the years, and for potable use. These records date back to original water usage in Guerneville in

1885. This usage can also be corroborated by fire insurance maps that detail the water storage and distribution system used in that time period.

Matt and I completed the historical documentation. This documentation is cited in a legal opinion and report by Matt on behalf of the District to strengthen our Water Rights further.

Another critical element of the scope of work by Matt is striving for a "County Solution" to the issues around SCWA threats to force SSWD to contract for water purchase in low flow conditions. We started this conversation with Supervisor Hopkins on August 19 and hope to make further progress with that goal. Supervisor Hopkins' initial discussion was not met with enthusiasm; she mentioned she is but one member of the five-member Board of Sonoma Water.

After Matt's presentation and discussion with the Board at the April Board meeting, the Board directed the GM to work with Matt to develop next steps in the water rights process. I met with Matt on April 15 and developed a path forward.

Next steps include- further investigation into local historical newspapers, property transfer records including water rights, direction for property sales relative to water rights, and A new task order is attached for review by the Board for this additional work. Below is a draft "punch list" of items I noted during the Board meeting that we can discuss during our call tomorrow. I may have missed some. Some of the issues may not necessarily be urgent and others might be able to be answered very quickly.

- 1. Follow-up evidence in support of pre-1914 analysis
- 2. Additional focused research connecting historic evidence to the Monte Rio water right
- 3. Local tributary flow contribution to Russian River underflow vs Stored Releases
- 4. SCWA's and Russian River Flood's rights to stored water and outflow in relation to District's rights
- 5. Reasonable use Upstream storage vs. downstream water rights.
- 6. Water "quantity" issue quantification of District's pre-1914 water rights

- 7. Korbel history and in particular, history of water use
- 8. Transfers of District properties with potential water rights

Ed Fortner General Manager Sweetwater Springs Water District 17081 Hwy 116 (P. O. Box 48) Guerneville, CA 95446

Re: Task Order No. 3 - Water Rights

Dear Ed:

Pursuant to our conversation on April 15, 2022, and for your review, I am presenting the following proposed task order no. 3 relating to work associated with the District's water rights on the Russian River. The legal fees for this task order would not exceed \$3,000.00 unless otherwise approved in writing by the District.

TASK No. 3

Working with the District's General Manager, the Law Offices of Matthew Emrick will assist the District with:

- Indentifying potential title search consultants to assist the District's General Manager to locate potential potentially relevant to supporting the District's claims of pre-1914 water rights to the Russian River. [no charge]
- Continue to assist with the identification, location and collection of documents and information to support and strengthen the District's existing water rights.
 Attached please find a printout of

historic local newspapers in Sonoma County available from the County Library that might contain articles related to water supply and/or water companies in the historic Guerneville and Monte Rio areas. The State Library historic archives also have some of these newspapers.

 Preparing legal analysis and recommendations regarding the District's water rights in relation to the transfer or sale of roperties owned by the District.

Please review and let me know any comments you might have. Thank you.

Very	truly yours,
LAW	OFFICES OF MATTHEW EMRICA
	Matthew Emrick

MEMORANDUM

TO: Ed Fortner, Sweetwater Springs Water District

FROM: Matthew L. Emrick

DATE: April 26, 2022

RE: Initial Overview of Protecting the District's Water Rights

when Transferring District Properties

A. Background and Overview

Sweetwater Springs Water District owns certain properties that it is considering selling or otherwise transferring. The District wishes to ensure that such transfers do not result in any adverse impacts to, or loss of, the District's water rights.

B. Overview of Law Applicable to Water Rights in Relation to Transfers of Property

As a general rule in California, water rights transfer automatically with the transfer of Property even in the absence of any specific language transferring such water rights.

Riparian water rights are considered *part and parcel* of the property and transfer automatically as part of the property itself. Holmes v. Nay (1921) 186 Cal. 231, 236. In general, Riparian water rights cannot be reserved to the grantor upon a sale of the property, and

"Appropriative rights" such as the Districts are considered appurtenances to the property and also transfer automatically upon a conveyance of the Property – even if not mentioned in the deed. In Stanislaus Water Co. v. Bachman (1908) 152 Cal. 716, 724, the court found that a water right transferred automatically as appurtenance to the land even though the deed made no mention of water rights:

It was an incident of the land and would pass as such by a conveyance of the land, without express mention and without any reference thereto, such as by the use of the word "appurtenances" or otherwise.

However, appropriative water rights (unlike riparian rights) are generally severable from the property and can be transferred separately from a parcel of property, or as in the District's case, specifically reserved to the granting party separate from the property being sold or transferred. Locke v. Yorba Linda Irrigation Co. (1950) 35 Cal.2d 205, 209-211.

In general, the status of any water rights associated with a property transfer should be specifically set forth in the Deed.

C. Recommendations

In order to ensure the District preserves its pre-1914 and Licensed water rights whenever District property is transferred, the District should consider taking the following actions:

1. Review the deeds and title history of any District property being transferred or sold to determine if there any specific water rights associated with such properties keeping in mind that even in

- the absence of specific language water rights are presumed to transfer with the property.
- 2. Review the locations of the District's existing diversions (pre-1914 and licensed) to determine if there is any connection between such locations and any specific properties being considered for transfer (e.g. is the location within the boundaries of a parcel being transferred).
- 3. Where appropriate, include in any deed (or other instrument) transferring District property language specifically reserving to the District all water rights necessary for the exercise of the District's water rights. Even in situations where a "buyer" wants the property to include some rights to water, the transferring deed should contain language specifying that any water rights reserved to the property are subordinate to the District's rights to water.

Of course, each situation is different, and needs to be evaluated on a case-by-case basis. This office can help prepare specific language protecting the District's water rights when a District property is transferred depending on the particular situation and property being transferred. In the meantime, this office will develop some general language intended to protect the District's water rights during any such transfer.

SWEETWATER SPRINGS WATER DISTRICT

TO: Board of Directors AGENDA NO. V-D

FROM: Ed Fortner, General Manager

Meeting Date: May 5, 2022

Subject: FY 2020-2021 CIP PROJECT UPDATE

RECOMMENDED ACTION: Receive report; give any needed direction.

FISCAL IMPACT: \$1,650,301.00

DISCUSSION:

Replacement of aging water main infrastructure is an important activity of the Sweetwater Springs Water District. Toward that end, the District has developed a multi-year capital improvement program that has prioritized the capital infrastructure that needs to be replaced or improved. The District is currently working on the FY 2020-2021 CIP, replacing approximately 5,400 ft of existing main and 58 services on Old River Rd and Woodland Drive, including 16 lead goosenecks. The new HDPE water main will replace old galvanized, steel, and cast iron pipe.

This construction project was advertised in December of 2021, and five bids were received and opened on January 18, 2022, at 2:30 pm, in accordance with bid instructions. The project had an Engineer's Estimate of Probable Cost of \$1,601,944. After careful review and analysis of the bid by Piazza Construction (Piazza), the bid was awarded to Piazza. Piazza has done good work for the District in the past, and the bid amount is below the Engineer's Estimate of Probably Cost.

The work authorized under this contract is scheduled to begin on March 30, 2022; according to the contract, it will be completed within 70 working days of the notice to proceed. The work involves repair, replacement and/or reconstruction of existing water main distribution lines, and the installation of water "services" and fire hydrants. The work is in the same general location as existing facilities and will result in no expansion of system capacity. The work is part of the District's Capital Improvement Program and will provide important and necessary improvements to the District distribution system.

The Board approved the award in the amount of \$1,353,421.00 by Piazza Construction, and authorization for the General Manager to approve up to \$135,000 in total change order authority for work not anticipated by the contract, and construction management and inspection costs by Coastland Engineering for the project estimated at \$161,880.00. This puts the entire project cost at \$1,650,301.00 including the total change order amount.

This project will be self-funded by the District and with CDBG funds of \$705,000. As such, the Project Award must be approved by CDC staff. District staff have been in communication with CDC and the District has informed the CDC of the award of the contract.

Piazza has submitted the fully executed contract and required supporting documentation. These have been distributed to our Engineers and CDC. A notice to proceed is being drafted by Coastland. Preconstruction meeting was held on March 8, attended by CDC staff, Piazza, Coastland, Jack, and I. Tentative start date was the second week of April 2022. Permit Sonoma was slow to issue the encroachment permit to Piazza so the project is now due to start March 2, 2022.

TO: Board of Directors AGENDA NO. V-E

FROM: Ed Fortner, GM

Meeting Date: May 5, 2022

SUBJECT: DISCUSSION/ACTION CSDA Sonoma County Chapter

RECOMMENDED ACTION: Receive the report.

TO: Board of Directors AGENDA NO. V- G

FROM: Ed Fortner, GM

Meeting Date: May 5, 2022

SUBJECT: DISCUSSION/ACTION District Security and Fires in Monte Rio and Property Sale

RECOMMENDED ACTION: Receive the report.

FISCAL IMPACT: N/A

DISCUSSION:

There have been numerous fires in the Monte Rio area over the past several months. Many have been in or near District property in the Terraces. I have discussed the issue with Jack, and he does not feel that cameras are a solution as they often get stolen. We were contacted by the community members asking us to purchase security cameras. I welcome Board input on the issue. These fires have been on or near District properties. These properties have been under consideration for sale to the Monte Rio Rec and Park for years.

On April 14, 2022 Louisa Morris with Sonoma Open Space arranged a meeting with the Sweetwater Springs GM and Brian Grant with Monte Rio Rec and Parks District to discuss the sale of two parcels in Monte Rio to accommodate a trail project connecting Monte Rio to the coast. Louisa laid out the pathway to funding for this purchase including Open Space paying for an appraisal of the properties. The timeline is approximately two years. The Monte Rio Bridge Water Main Attachment Project would benefit from the sale funds. The construction date for the Bridge project is mid 2024. One element of the sale is Board support. Also, whether water rights attached to this property is sold with the property is a consideration of the sale. Louisa's follow-up email is below:

On Apr 14, 2022, at 4:38 PM, Louisa Morris < <u>Louisa.Morris@sonoma-county.org</u>> wrote:

Dear Sweetwater acquisition project team,

Nice "seeing" all of you this morning, plus Brian!

As promised, here is a list of Ag + Open Space acquisition steps from here, with some loose timelines:

- 1- Develop project structure, with map (takes about 2-3 months to shepherd thru process)
- 2- Develop draft CE and other project docs (Rec Covenant) (1-2 months internal to Ag + Open Space, 2-4 months to negotiate with project partners)
- 3- Appraise value of properties (60-90 days)
- 4- Have appraisal reviewed by third party appraiser (30-45 days)
- 5- Take appraisal and project documents to Ag + Open Space's Fiscal Oversight Committee for approval (they meet on the first Thursday of each month)
- 6- Make offer to landowner, with time for their consideration (30 days)
- 7- If landowner accepts offer, take to Board of Directors (Supervisors)- 60 days
- 8- CEQA Noticing- 35 days
- 9- Escrow and Closing- 60-90 days (depends on complexity of things to do before closing).

Of course, your boards will also need to make decisions, give consideration (and hopefully approval) along the way. If you could put those items into the timeline above, then we will have a better collective mapping of our process.

Please let me know if you have any comments or questions. I look forward to working with and getting to know all of you.

Louisa

TO: Board of Directors AGENDA NO. VI

FROM: Ed Fortner, General Manager

Meeting Date: May 5, 2022

Subject: GENERAL MANAGER'S REPORT

RECOMMENDED ACTION: Receive report from the General Manager.

FISCAL IMPACT: None

DISCUSSION:

1. Laboratory Testing/ Regulatory Compliance: Water quality tests confirm that all SSWD water meets all known State and Federal water quality standards.

- **2. Water Production and Sales:** Water sales in March were 17,024 units (39.1 AF Guerneville cycle), and production was 51.17 AF. One year ago, sales were higher, and production was higher (39.1 AF and 56.9 AF, respectively). Figure 1 shows sales, production, and % difference for the combined systems; the water loss trend was down this month as a running twelve-month average (22.5%). Drought restrictions and potential curtailments may become mandatory in April. Looking at the data over the last ten years, water production has dropped approximately 29%, and sales have dropped 18%, although water sales and production are up during the COVID period. The water loss percentage was around 30% and now is in the 15-20% range.
- 3. Leaks: We had eight total leak repairs in March with fifty-nine hours on them. Seven leaks were in Guerneville and one was in Rio Nido. All leaks were in older lines. That is more leaks and person-hours than the prior month and fewer leaks and person-hours than February one year ago (12 and 133). Figure 2 shows service and main leaks separately with a total leak line. For Calendar Year 2021, total leaks were 85, down from 99 in 2020. We have experienced two consecutive drought years followed by ~26" of rain since October of 2021, and many of the repairs were due to ground shifting. Also, 47 leaks were on mains, and 38 were on service lines. In 2020, 51 leaks were on mains, and 48 were on service lines. Looking at the leaks chart over the last ten years, we have come down from

around 300 leaks per year to under 100 - quite a difference and very noticeable in what the field crews are able to do - address ongoing issues with in-house projects instead of chasing leaks every day.

- 4. Guerneville Rainfall: March rainfall was 2.61", higher than the long-term average month, and the yearly total (29.68") below the long-term annual average. We hope for more rain to recover from the two-year drought. The rain year 2021 was the lowest recorded precipitation for the District, below the 17.7" from 1977. Governor Newsom declared a drought emergency for Sonoma and Mendocino Counties, and Sonoma County has issued a drought emergency also. SSWD was not given a curtailment order in 2021. After the atmospheric river, we experienced in October of 2021, the curtailment orders were temporarily removed for the entire Russian River. The Water Boards announced that curtailments would not occur until May 31, 2022.
- **5. In-House Construction Projects:** There was no in-house construction project in March.
- **6. Wright Drive CDBG Grant Application:** We have applied for \$169,472.00 for the design and planning of the Wright Drive Capital project, with a match of \$42,368 of District funds. Our project is approved by the CDC and will be considered for final approval at the 05/10/2022 Board of Supervisor's meeting.
- **7. Gantt Chart:** The Gantt Chart is updated for May 2022.
- **8. Website:** Julie has found a vendor for a District website upgrade with a \$200 monthly service charge. The benefits include:
 - Manages website legal compliance (ADA, Board Agendas, Financials, Gov. Compensation, etc.)
 - Provides tools for customer communication
 - Portal tools for billing system customer portal
 - Easy for SSWD staff to keep updated, but support available for issues and more complex updates
